SO YOU KNOW...

All prices include VAT at 20%. We ask for a deposit of £15.00 per person within 10 days of making your booking (non-refundable, so make sure everyone has confirmed!). We'll collect the rest of the balance 21 days before your event – by cash, cheque or all major credit/debit cards, excluding American Express. At this point, we will also ask you to pre-order your meals. Should you need to cancel or reduce numbers at this stage, we regret we are unable to give a refund; however, should you wish to add more people, we'll do our best to accommodate them if we can. To avoid rumbling tums, our festive fare will be served promptly at an agreed time. We've never had to yet... but should we need to refuse admission, we will. In exceptional circumstances, we may need to transfer a party night to an alternative date. In the unlikely event of this happening, we'll ensure we give plenty of notice.
