

NOTTINGHAMSHIRE COUNTY CRICKET CLUB: NOMINATIONS PANEL RECRUITMENT

Nottinghamshire County Cricket Club is one of the 18 professional county cricket clubs in England and Wales. Formed in 1838, the club currently has over 7,000 members and employs around 100 permanent staff.

In 2023 we will appoint 4 new members to our General Committee. Three candidates will be elected by our membership and one candidate will be directly appointed by our Nominations Panel.

The Nominations Panel has the critical role of finding and recruiting the very best appointed candidates who will then join the General Committee. The Nominations Panel also interviews all applicants to be Elected Members. This helps to ensure that all prospective committee members have the experience, skillset and personal qualities to operate at Board level and to make an effective contribution.

The Nominations Panel consists of five members comprising the Club Chair and another member of the General Committee, together with two further members of the club (who are not serving General Committee members) and one non-member to offer an independent view. We are recruiting to fill one of the places on the Nominations Panel reserved for members of the Club.

Members of the Nominations Panel serve for a period of three years.

We believe that diversity and a wide range of experience, skills and opinions within our governing body and within the Nominations Panel are critical to our future success. Therefore we welcome applications from people throughout our community. Positions on the Nominations Panel are voluntary, non-executive roles.

A full role profile and person specification is available to view [here](#).

Applications should comprise a CV, personal statement & covering letter and can be submitted to the club in writing via questions@nottsccc.co.uk or by post to the following address: Linda Allen, Head of Business Support, Nottinghamshire County Cricket Club, Trent Bridge, Nottingham, NG2 6AG.

Skills and experience from any walk of life are welcomed, and members of ethnic minority communities are particularly encouraged to apply. You do not need to be a member when you make your application but if successful you would be required to apply for membership before taking up your position.

The deadline for applications is 11.59 pm on Friday 5 August.
