WOMEN'S ASHES TEST MATCH

Thursday 22 – Monday 26 June

Pristine white flannels, the unmistakable hum and five days of world-class women's cricketing action unfolding upon the green, green grass of home.

We frankly can't wait to welcome England and Australia as our venerable venue becomes the home of the only Women's Ashes Test Match of 2023.

In recent years, the Southern Stars have earned a reputation as cricket's Invincibles. However, an England side on home soil, and powered by the stars of The Hundred, are hell bent on toppling the old enemy.

Five days of high drama surely await.

ENGLAND v NEW ZEALAND

MEN'S INTERNATIONAL T20

Tuesday 5 September

The razzmatazz of short form cricket, delivered in a family-friendly atmosphere,
with our traditional touch of class.

Jos Buttler's blockbuster IT20 side will face formidable foes from the land of the long white cloud,
with twenty-overs-per-side under the Trent Bridge lights to determine the victor.

A feverish feast of fast paced action is anticipated between two heavyweights of the world game,
and we frankly can't wait for the action to, really rather rapidly, unfold.
